GREENACRE SCHOOL SCHOOL COUNCIL POLICY

RATIONALE

The Greenacre School Council plays an important role in encouraging independence and preparing our young people for the future.

PURPOSE:

1. To improve the continuity and progression of the student's learning.
2. To promote the greater involvement of students and parents in the learning process.
3. To give the Headteacher and Lead Teachers a general picture of development within the school.
4. To communicate information to all members of the school community.
5. To provide relevant information to various outside agencies when appropriate.
6. To inform School Improvement Planning and Reporting.
7. To provide opportunities for students to make decisions about their learning environment.

GUIDELINES:

1. The school will constantly review its practices and procedures to ensure all students have equal rights, equal opportunities and equal access to a full and comprehensive education.
2. All students will be encouraged and supported to take a full and active role in school life.
3. All students will be encouraged and supported in making decisions related to their learning environment.
4. Professional development programmes will address issues relating to the outcomes of school council meetings.
5. A nominated Governor will attend school council meetings. Minutes will be taken and presented at Governing Body meetings.

CONCLUSION:

The school council should have a measurable impact on the development of the school.
